

DISCLAIMER

“This document is published in accordance with the provisions of Rule 3 (1) of the Information Technology (Intermediaries Guidelines) Rules, 2011 that require publishing the rules and regulations, privacy policy and user agreement for access or usage of www.sonyleplex.com ("Website"). “

Contents of this Site are only for general information or use by our users. The information on this Site is updated from time to time. There are no warranties (whether expressed or implied), as to the quality, accuracy, efficacy, completeness, performance, fitness or any of the contents of the Site, including (but not limited) to any comments, feedback and advertisements contained within the Site. Certain sections within the site are meant to be satirical, humorous and funny - and we decline any responsibility for any libel, damages or any other charges that may arise from the same. We will not be liable for any damages (including, without limitation, damages for any consequential loss or loss of business opportunities or projects, or loss of profits) howsoever arising, whether in contract, tort or otherwise from the use of or inability to use the Site or any of its contents including advertisements or from any action or omission taken as a result of using the Site or any such contents. This Site may contain some material in the form of inputs submitted by users and we accept no responsibility for the content or accuracy of such content nor do we make any representations by virtue of the contents of this Site in respect of the existence or availability of any goods and services advertised in the contributory sections. We make no warranty that the contents of the Site are free from infection by viruses or anything else which has contaminating or destructive properties and shall have no liability in respect thereof. Certain links on the Site lead to resources located on servers maintained by third parties over whom we have no control and accordingly, we accept no responsibility or liability for any of the material contained on those servers. The links are for general information of the users and they are not obliged to visit these links. The Site contains sections which enable the users to download widgets and other things for which we take no warranty of performance, reliance and/or accuracy. The downloads are not obligatory and users do it at their sole risk and discretion. Part of this Site contains advertising and other material submitted to us by third parties. Although acceptance of advertisements on the Site on request is subject to our terms and conditions, we expressly disclaim any liability arising out of the usage of these products or services advertised on our Site. This Site will contain articles contributed by several individuals. The views are exclusively their own and do not represent the views of the Site or its management. All liability is excluded to the extent permitted by law including any implied terms. Indian law and jurisdiction applies with respect to contents of this Site. While using this Site for information purposes or otherwise, users acknowledge and accept the above disclaimer.

You shall not create, Submit, host, display, upload, modify, publish, transmit, update or share any information/ User Submission on the Site that—

- (a) belongs to another person and to which the user does not have any right to;
- (b) is grossly harmful, harassing, blasphemous defamatory, obscene, pornographic, pedophilic, libelous, invasive of another's privacy, hateful, or racially, ethnically objectionable, disparaging,

relating or encouraging money laundering or gambling, or otherwise unlawful in any manner whatever;

- (c) harm minors in any way;
- (d) infringes any patent, trademark, copyright or other proprietary rights;
- (e) violates any law for the time being in force;
- (f) deceives or misleads the addressee about the origin of such messages or communicates any information which is grossly offensive or menacing in nature;
- (g) impersonate another person;
- (h) contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer resource;
- (i) threatens the unity, integrity, defense, security or sovereignty of India, friendly relations with foreign states, or public order or causes incitement to the commission of any cognizable offence or prevents investigation of any offence or is insulting any other nation
